Commentary

IXP opens at 6914; 3 points above previous close. Expected resistance at 6922 and support at 6885. The index reached the lowest at 6868 and closed at 6890; 21 points below previous close. Liquidity ratio at the end of the day shows 43% buy. Financial Services sector leads the most traded value making 28% of total value, following by Real Estate sector with 25%, then banks with 16%. Market average share price reached 130 fils as the more trades today was towards middle and small stocks (ABYAR, ALIMTIAZ, and ALTIJARIA). Very important that IXP to reach 6940 and close above it.
